G. O. MS. No. 71/76/G. Edn. *Dated, Trivandrum, 28th April 1976.*

Read again:—G. O. MS. 254/75/G. Edn. dated 18-10-1975.

2. D. O. letter dated 23-4-1976 from Shri R. Ramachandran Nair, Director of Public Instruction.

ORDER

In accordance with the provisions of sub-rule (1) of Rule 2 A of Chapter V Kerala Education Rules the Director of Public Instruction in his notification No. H5-72729/75 dated 4-7-1975 invited applications for opening new schools or upgrading existing schools during 1975-76 in the specified areas. The applications were considered and

sanction was accorded as per the G. O. cited for opening/upgrading of schools in respect of places for which O. Ps were not pending.

The question of opening/upgrading of schools in areas included in the final list published by the Director of Public Instruction regarding which O. Ps were pending in the High Court, were not considered by the Government then. The Director of Public Instruction in his letter second cited has reported that all the writ petitions have been disposed off by the High Court. In view of the conditions stipulated in the G. O. Government are pleased to sanction the opening/upgrading of the schools included in the Annexures. The opening of new schools and upgrading of existing ones mentioned therein shall be made at the commencement of the academic year 1976-77 failing which the permission to open/upgrade them will lapse under Rule 13 Chapter V K. E. R.

The L. P. Schools sanctioned as per the Government order shall open standard I only during the year 1976-77. In the case of U. P. Schools sanctioned as per this Government order the applicants/sponsors will be permitted to open standard V only. In the case of upgraded L. P. Schools, with existing Standard V the applicants/sponsors will be allowed to open standard VI only during the academic year 1976-77. In the case of High Schools applicants/sponsors will be permitted to open standard VIII only.

The schools mentioned in the Annexures to this order will be allowed to function only in case all the conditions provided in the Kerala Education Rules for opening of schools are fulfilled on or before the 31st May 1976. In the case of Aided Schools recognition will be granted only if permanent buildings for the schools are made ready.

The sponsors of the Departmental schools will have to take immediate action for providing land, buildings etc., as stipulated in the Notification No. H5-72729/75 dated 4-7-1975 of the Director of Public Instruction and in accordance with the directions issued by the Departmental authorities. Departmental schools sanctioned under this Government order will be started only if and when the sponsors fulfil all the conditions stipulated.

Annexure III of this G. O. contains two schools which do not pertain to cases put off because of writ petitions. The Director of Public Instruction has reported that for the High School (Kottakkal, Irinjalakuda District) sanction was not given in October, 1975 since the applicant had asked for Standard V as part of the High School. Now he has come forward for a High School itself. The Director of Public Instruction has recommended to sanction the High School. It is also stated that (Elamulakkal, Kottarakkara District)

sanction was issued in October, 1975 in favour of a sponsoring committee for a Departmental school. But now they have informed their inability to provide the required land for the school. The Director of Public Instruction has therefore recommended to sanction the school in favour of the next most suitable applicant namely Edamulakkal Panchayat as there is a real necessity for a school in the locality. Hence Government are pleased to sanction the schools in Annexure III also subject to the conditions specified in this G. O.

In respect of the proposed school at Kanjiramkulam decision will be taken later.

By order of the Governor,
K . MOHANACHANDRAN,
Additional Secretary to Government.
